

PIPER ONCE STOOD PROUD—"Pipers Stand Proud," a longtime slogan of Hamlin athletic teams, could have also been applied to the huge "Pied Piper" placed at the south entrance of the city as a part of the Bicentennial project. After a year and a half of planning and research and many hours of hard work, the Piper was completed about dark, July 2, when the final paint was applied. Only two weeks later on Sunday, July 18, residents awoke to find the Piper downed by vandalism, malicious mischief, or whatever it takes to destroy a figure made with framework of two-inch pipe and steel rods, wire lath, cement and plaster. The incident is under investigation of the Hamlin Police Department, under the direction of Police Chief Ed Wheat.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

At the present time it is not known whether the person or persons who tore down the Piper at the South entrance of the city is a local resident or not. But our guess is that it probably was.

It would not be too very unusual if during the football fever of the fall someone from out of town painted the statue but very unlikely that they would tear it down.

But if it was a local resident (not citizen because anyone who would do this is certainly not entitled to the honor of being referred to as a citizen) it most certainly is one that the whole community could do without.

It would not hurt so much if the Piper had just been purchased with money raised by interested citizens. But this was something that a great many people devoted a lot of time and energy to.

If the person who was responsible is ever caught I would hope that one of the first things that would be required would be for them to explain to the Joe Nortons just why they destroyed something that this couple spent so many hours creating.

Vandalism is something that has been around forever but it seems to get worse every year and has gone far beyond the prankster stage of pulling over outhouses. No one seems to be able to explain why this country is plagued by so much vandalism in our schools, our cities, and our private property.

Apparently, this is a problem that is worse in America than anywhere else. But why this is so we do not understand. It is not just a case of the have nots trying to get even with the haves because in all too many cases the vandals come from families that have moderate or better incomes.

Those of you who were observant may have noticed last week that there was something different about part of your Herald. It was different because about half of the type was set in Snyder when our equipment broke down Monday and was not back in operation until about 10 p.m. Tuesday.

Guess our electronic marvel that sets our type for the paper liked being off the week we closed for vacation so well that it wanted another week.

After spending most of Tuesday on the phone to Dallas with a

—Continued on page 4

GRANTS FARM LEASES—

Council Reviews Audit

The City Council, meeting here Monday evening, reviewed the audit for the past year's operation with James E. Rodgers, local Certified Public Accountant. The council also awarded leases on city owned farm land and reviewed progress of the waste water treatment plant construction project.

In reviewing the audit with the council, Rodgers told them that the city had a pretty good accounting system that met all of the accepted accounting practices.

The audit report revealed that the city had \$44,885.86 more revenue than was predicted in the General Fund budget for the year and had spent \$21,129.76 more than was budgeted. The total estimated revenue was \$211,280.00 in the General Fund and had received \$256,165.86. The expenses in the General Fund were predicted at \$220,078.60 and the actual expenditures were \$241,208.36.

In the Water Works fund the city had estimated the revenue at \$136,500.00 and received \$152,337.06 for an increase of \$15,837.06. Expenses were estimated at \$133,460.00 and were \$179,869.66 which was \$46,409.66 more than estimated. But this, according to Rodgers, included \$28,283.91 in depreciation which is not estimated in the budget.

The council awarded a five-year lease to Jay Brothers on

the 22 acres of farm land located near the golf course. Their bid of \$300 a year was the highest of the bids submitted. The council also awarded a five-year lease on the land at the old airport to Ken Scott for \$300 per year.

Billy Jacobs of Abilene, engineer on the Waste Water Treatment Plant, gave the

council a progress report on the construction job and said that based on the money paid to the contractor about 12 percent of the project was completed.

The council also voted to seek bids on seal coating some of the city streets as soon as the number of blocks can be determined.

Deadline for Tennis Entries Is Monday

Monday is the deadline for entries in the annual City-wide Tennis Tournament sponsored by the Hamlin Board of Community Development with play scheduled to start Saturday, July 31, according to Gary McMillan, chairman.

McMillan said that both the singles and doubles will be single elimination this year. Limited time and number of courts prevents consolation brackets, he said.

"Each round of competition will consist of one eight-game set. The 'no-ad' scoring system will be used. This system is currently being used successfully at collegiate meets and is highly recommended for tournaments such as ours with limited time and number of courts," he said.

Complete rules of the scoring system are available from McMillan.

There will be four age brackets with singles,

doubles and mixed doubles in each bracket. The age groups will be 10-12, 13-15, 16-18 and 19 and over.

Fees will be \$3.00 for singles and \$5.00 per team for doubles. Entries may be turned in to McMillan or to the BCD office by Monday afternoon.

Aspermont Small Business Center Receives Grant

WASHINGTON, D. C. — Congressman Omar Burrellson announces the approval of a \$9,348 Community Services Administration grant to the Aspermont Small Business Development Center, Incorporated, in Aspermont. The grant is effective July 1, 1976, and will run for three months.

The areas served are Fisher, Haskell, Jones, Kent, Knox, Stonewall, Briscoe, Dickens, Cottle, Childress, Donley, Foard, Hall, Hardeman, King, Motley, and Wilbarger counties.

Arthritis Program Planned In Anson

The Anson chapter of American Association of Retired Persons will sponsor a program on arthritis for all interested Jones County citizens Thursday evening, Aug. 12, according to Mrs. Joe Sosebee, member.

Horace Jones of the Arthritis Foundation of Northwest Texas chapter will present the program.

Mr. and Mrs. Jerry Gooch are parents of a boy, Grant Mason, 7 lbs. 10 oz., born July 20 at 11:17 p.m. Maternal grandmother is Mrs. Bonnie J. Shaw of Garland. Mr. and Mrs. E. B. Gooch of Plainview are paternal grandparents.

PRICE 14¢

Vandals Tear Down Piper; \$500 Reward Is Offered

A \$500 reward is being offered to person or persons furnishing information that will lead to the arrest and conviction of person or persons that pulled down the Pied Piper statue on City property in south Hamlin.

The 10-foot Pied Piper, which was completed July 2 just before Hamlin's Bicentennial celebration July 4, was pulled down sometime during early morning hours Sunday.

The Hamlin Police Department, under the direction of Police Chief Ed Wheat, is investigating.

Citizens were seen driving by the scene Monday at regular intervals. Most are shaking their heads in disbelief that anyone could

destroy something that so many people had worked to provide and of which others were so very proud. Tire marks at the scene show that the huge Piper did not come down easily. One can see where in the soft gravelled ground, two efforts were made with a vehicle to pull the Piper down.

Work on the Piper was actually not completely finished. In trying to get it completed before the Fourth, the paint was applied before the cement was completely dry and there was a fading of the green paint. Workers in the project had planned to repair the paint and then complete the waterproofing.

Plans for the Piper statue were in the making for a year and half. Research and plans for the construction was done by Rev. and Mrs. Joe Norton. Mrs. Norton was chairman of the project when the work began on the proposed roadside park at the south entrance of Hamlin as the Bicentennial project.

Mrs. Norton estimated that at least 52 work days had gone into the planning and construction. This was done by volunteers, she said, of all ages, skills and professions. Welding alone took eight hours, she said.

The framework was made of two-inch pipe, steel reinforcing rods, and wire lath and then covered with cement and plaster. The figure was placed on a concrete slab and several gray mice were placed at the Piper's feet.

Interested citizens are making the \$500 reward possible with donations.

Girl Scout Hut Still Needs Painters

All Girl Scout leaders, helpers and parents are needed to help finish painting the Girl Scout Hut in the next few days. If you can paint on the inside or outside for one hour or one day, it will be appreciated. The paint is at the hut. Contact Luther Haight, repair chairman or Mrs. Johnny Waldrop, service unit chairman for the key.

Oak Grove Sets Dinner Sunday

Senior Mission of Oak Grove Baptist Church will sponsor a dinner Sunday beginning at 12 noon in Fellowship Hall, according to Maudie Paige, president.

The menu will consist of oven baked chicken, broccoli and rice, peas, tossed salad, hot rolls, assorted pies and iced tea.

300 Attend First Oscar DePriest Homecoming

Approximately 300 persons attended the first reunion of former students of Oscar DePriest School held Saturday, July 3, at the school building that has been made into a community center. The school that served the community from 1940 to 1967 was closed when all Hamlin schools were integrated.

Mrs. Vera Hooper, president of the exes organization, said that former students and teachers were here from Los Angeles, Calif., Albuquerque, N.M., Queens, N. Y., Midland, Odessa, Big Spring, Tyler,

STATUE PULLED DOWN—A \$500 reward is being offered by interested citizens for information leading to the arrest and conviction of person or persons responsible for the damage to the "Pied Piper" statue which stood for only two weeks under the arch in the proposed roadside park in South Hamlin. The statue was wired to the arch and set in a concrete base. The major break is at the knees which were constructed of two-inch pipe.

IN JUNIOR BASEBALL—

Rangers Down Rotan, Capture League Title

The Hamlin Rangers beat Rotan here last Thursday night to capture their Junior Baseball League title.

Hamlin finished their regular season with a 10-2 record. Other league members were Rotan; 8-4; Aspermont, 6-6; and Jayton, 0-12.

The Rangers will start

tournament play July 26 at Snyder. The double elimination tourney runs the 26, 27, and 29th of July.

Team members are Waylon Collins, Mark Carter, Eddie Ribera, John Barrera, Todd Marshall, Keith Alexander, Russell Laird, Todd Stephenson, Mickey Williams, Jesse Willis, and Steve Contreras.

The Rangers were coached by Gilbert Lujan and Cleon Warner. They were sponsored by Ham-Tex Well Service.

Mr. and Mrs. Larry Bartee and Kim were in Brownwood Saturday evening attending the annual Girls' All-Star Basketball game. Tresea Williams, an all-State forward from Canadian played in the game. Coach Bartee was her eighth grade coach.

Lions Club Sets Ice Cream Supper

Tickets went on sale this week for the Annual Hamlin Lions Club Ice Cream Supper to be held in the high school cafeteria Friday, July 30. Serving will begin at 5:30 p.m.

Tickets are \$1.00 and are available from any Lions Club member or may be purchased at the door.

Amarillo, Lubbock, Dallas, Fort Worth and other area towns attended.

Activities began at 1:30 p.m. when a barbecue dinner was served at the school. Mrs. Hooper was mistress of ceremonies for the program which followed.

Ollie Ray Sneed of Dallas, vice president, gave the welcome.

John Reese Mayfield, a graduate of DePriest who is vice-principal at Ector High School in Odessa, was speaker. He was introduced by Mrs. Wilmoth Butler, of Abilene ex-teacher.

Presentations of plaques were given to Mrs. Butler and Mayfield for contributions and achievements.

Other ex-teachers attending were Dee Waggoner of Abilene, Mrs. Ethey Fay Ford of Midland and Mrs. I. J. Starr of Tyler.

The next reunion will be held in 1978. Mrs. Hooper said that everyone is looking forward to making it a bigger and greater reunion in 1978. Officers re-elected are Mrs. Hooper, president; Sneed, vice president; Burnett Chase, treasurer; and Pearl Hunter, secretary.

WINN'S — HAMLIN

the **gospel truth**

by Bro. Marshall Townsley

Last week we began discussing the privilege and power of prayer. The Word of God through the Spirit has given us precious facts concerning prayer. Remember John 14:13, 14 "And WHATSOEVER ye shall ask in my name, that will I do that the Father may be glorified in the Son. If ye shall ask ANY THING in my name, I WILL DO IT." Praise God! How about Mark 11:23, 24! "For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them." Hallelujah!

The power of God released when we pray in faith is capable of making all adverse circumstances circum to the Word. Thank God we aren't a helpless Christian nation that has to bow to adversity and its author, Satan!

Let's begin to deal with a specific type of prayer today. Isaiah the prophet speaking of God said, "And he saw that there was no man and wondered that there was no intercessor: therefore his arm brought salvation unto him; and his righteousness, it sustained him. For he (Jesus) put on righteousness as a breastplate, and a helmet of salvation upon his head..." Isaiah 59: 16, 17 God searched the nation of Israel

to find one man to stand on behalf of his fellowmen and could not find one. So the scripture says his ARM (Jesus) brought salvation, wearing the breastplate of righteousness and the helmet of salvation.

Let's define intercessor. An intercessor is one that pleads or represents the case of another in the presence of authority. The life and ministry of Jesus was that of an intercessor. Man in the state of spiritual death could not approach God. Therefore Jesus, brought us and our case before the Father or the authority and by his sacrifice made us accepted in the beloved. Briefly, you and I, as born again, spirit-filled believers are now partakers and heirs of the intercessory ministry of Jesus. Romans 8:16, 17 In Ephesians 6:14-17 we see that the Father-God has even provided us the same prayer armor that Jesus Christ himself wore. Hallelujah!

Our Task in Christ is to bring those alienated from God either by choice or by ignorance, to the throne room of God by his Spirit. This prayer of intercession is able to grab people from the very jaws of death and hell when prayed in faith. Next week we will go into deeper detail.

Miss Ferguson, Lori Driver, Gary Hobbs Ricci Harugthy Exchange Vows Saturday

Mr. and Mrs. Samuel Clarence Ferguson are announcing the engagement and approaching marriage of their daughter, Jana Susan, to Ricci Von Harugthy, son of Mr. and Mrs. Kenneth Jack Harugthy.

The bride-elect attended Baylor University in Waco and Stenograph Institute of Abilene. She is presently employed by Jerry Smith, CPA, in Hamlin.

The prospective bridegroom is a graduate of Hamlin High School and is attending Western Texas College, Snyder.

The wedding date will be Sept. 18 at First Baptist Church.

Lori Denise Driver and Gary Wayne Hobbs of Stamford were united in marriage in the First Methodist Church Saturday at 7 p.m.

The Rev. Howard Marcom, pastor, officiated.

The bride is the daughter of Mr. and Mrs. Horace Driver and the bridegroom's parents are Mr. and Mrs. Willie Hobbs of Stamford.

Debra Hollis was organist. Soloist was Elaine Carlton.

Presented in marriage by her father, the bride wore a sata peau gown of re-embroidered alencon lace with high rise waist of lace and long straight sleeves and high collar at the V-neckline. The full skirt had an apron effect with border of lace and ruffled edge. The skirt fell into a soft chapel train encircled with a wide lace border on the edge. Motifs of lace were scattered over the skirt, and sleeves. She carried a bouquet of white roses and pom poms.

Sue Sellers was maid of honor. Melissa Madden and Sherri Glenn of Stamford were bridesmaids.

Attendants wore blue gowns fashioned with V neckline, empire waistline tied with bow in back and matching headdresses. Their flowers were white roses and

MRS. GARY WAYNE HOBBS ... formerly Lori Driver

Young Adult Class Meets, Plans Social

The women of the Young Adult Sunday School Class met at the First Baptist Church Monday.

Purpose of the meeting was to make plans for the Aug. 13 social which will be at Hamlin Park.

Cheryl Lewis served refreshments to Mmes. Robert Moore, Andy Brown, Larry McCoy, Pat Willoughby, Don Bockman, Spencer Ford and Bobby Stubblefield.

Bridge Winners

Tuesday evening competition of Hamlin Duplicate Bridge Club resulted in a first place win for Mrs. Jewel Butler and Bobby Graham, both of Abilene.

Second place was won by Mrs. G. W. Comegys and Mrs. Dale Lain, Mrs. Ray Sonnenburg and Mrs. Jo Smith of Abilene took Third place.

News deadline is noon Tuesday. Tuesday evening events by 10 p.m. Tuesday or 8:30 a.m. Wednesday.

EDUCATING Your Child

LEARNING TO LEARN

If you'd like your children to do well in school, these suggestions from child education expert, Dr. William H. Nault, editorial director of World Book Encyclopedia, can help you teach them how to learn before they go to school.

1. Speak to them. Direct conversation with children from infancy, even before they can answer, can help them learn to distinguish and imitate sounds.
2. Read to them. Daily reading from children's books, such as those in Childcraft-The How and Why Library, can make reading seem enjoyable. It will be a skill they will want to acquire.
3. Praise them. Children enjoy doing what they're good at, so Dr. Nault suggests you "praise the accomplishments your children make." This way you can help your children enjoy being good at learning.

Wedding Hints

Planning a wedding? These tips on getting information to the Hamlin Herald office should be used after three weeks.

1. Two pictures of the bride will be used only if the engagement is announced six weeks prior to the wedding. A one column picture will be used with the engagement announcement and a two column picture will be used with the wedding.
2. Only black and white prints will be used. A billboard size for the engagement picture is adequate. A 5 x 7 or 8 x 10 is suitable for the wedding picture. Glossy prints are preferred.
3. Wedding information and picture should be turned in before the wedding or on Monday immediately following a wedding that occurs Wednesday through Sunday.
4. A description of bride's and attendants' gowns, flowers and houseparty at reception will be used, if furnished.
5. Information that is to be sent to a daily publication should be in the Herald office one week prior to the wedding date.
6. Information and picture

received three weeks after the event will not be published. A brief announcement of the wedding will be used after three weeks.

5. Wedding stories and pictures are used when either the bride or bridegroom is a resident or former resident of Hamlin. Grandchildren of residents may choose either to have a picture with cutlines or a wedding story.

Information blanks for engagements, weddings and anniversaries are available at the Herald office.

| Example: A. The thief on the cross. Luke 23: 43 | Church at Jerusalem founded Acts 2:4 | They had already been baptized and received the Baptism of the Holy Ghost otherwise these churches could not have been founded. |
| Forgiveness B. The man with the palsy. Mark 2: 5 | Church at Caesarea founded Acts 10: 44-48 | WARNING! |
| However: Full Salvation or conversion was not possible until after Jesus was crucified and ascended. | Church at Ephesus founded Acts 129: 1, 5, 6 | Eph. 2:8; I Cor. 12: 30; I John 3:14; I John 5:1; Eph. 5: 26 |
| Luke 22: 32; Acts 1:4, 8 | WARNING! | These Scriptures are Epistles and written to churches already born-again. They were never intended to be used as a substitute for the plan of Salvation. |
| WARNING! | Not one person in the entire Bible was ever baptized using the words, "in the Name of the Father, and of the Son, and of the Holy Ghost." Matthew 28: 19 | ARE YOU READY FOR THE RAPTURE? |
| We must go on to the Book of Acts to find where the first church was founded. Full Salvation was first experienced on the DAY OF PENTECOST! | IMPORTANT | I Thess. 4:13-17; John 14:3 |
| Note the authority given to the Apostles by the Lord. John 17: 20 | YOU WILL NOT MAKE A MISTAKE BY OBEYING ACTS 2:38 | UNITED PENTECOSTAL CHURCH |
| IMPORTANT | CHURCHES FOUNDED | 219 N.E. Ave "B" 576-2265 |
| LIFE OF JESUS | | INSTRUCTIONS TO CHURCHES |

FROM THE FILES . . .

FIFTY YEARS AGO (July 23, 1926)

The Herald would call your attention to the New City Ordinance regulating the parking of autos in the Main Street of Hamlin.

Do not stop your car in the center of the street except that you may stop immediately behind cars parked on the sides, to load or unload and then for only a period of FIVE minutes, except trucks and drays loading or unloading, they have a longer time.

The City Council has had this matter under consideration for several months and they are anxious to set regulations that will prevent the death of some person in the usual crowded, "four-deep parking." This will not work a hardship on anyone, and will prevent accidents.

It will be dangerous enough at best, and City Marshal Johnson will be patient in directing you, but to be safe just hunt a curb parking or drive up close behind a parked car, get your goods and ALL things will be well and fine.

Opera House Program: Friday—Pete Morrison and his horse, "Lightening," in "Bucking the Truth." A Blue Streak Western. With "The Sporting Lover" the kind of man every woman loves—and the kind of picture you'll cheer all through.

Bids will be received until 1 p.m. Monday, August 2, for the construction of two story and basement, brick church building for the First Methodist Church, Hamlin, Texas, according to plans prepared by Wm. C. Meador, Arch't., Forth Worth, Texas. A 50 percent Surety Bond will be required of the successful bidder and a certified check for \$100 must accompany all bids. Plans may be had upon application to Rev. G. T. Palmer, Hamlin, Texas. \$1.00 deposit is required for the claims. The owner reserved the right to reject any or all bids or to accept any bid or proposition.

TWENTY YEARS AGO (July 26, 1957)

In deference to an expression at the polls by the citizens of the Hamlin trade territory, parking meters will remain absent from Hamlin streets until the first of the year.

In the unusual election, in which people of the entire trade territory were asked to participate, 402 votes were cast against returning the meters to service and 60 votes for them. Balloting was conducted Saturday at the Hamlin High School Building.

The City Council recently had the meters taken out after a group of merchants petitioned the group to remove them for a trial period. The merchants contended that the meters were hurting trade.

The meters were removed for a six-week trial period at that time. Following the Saturday election, they will remain out of service until January 1.

Mayor O. D. Roland points out that the Saturday vote was merely a referendum vote by the people of the territory. Final decision on the meters will be left up to qualified voters of the city of Hamlin. They will vote in an official vote the latter part of December to ascertain whether or not the meters will be placed back in service.

Hamlin Schools will begin the 1956-57 school term's work on Tuesday, September 4, it was announced this week by C. F. Cook, superintendent of schools.

Living costs rose sharply in May, sending the government's index to a level equaling the all-time peak of October, 1953.

Food prices in May registered their greatest increase for any month since June, 1953, rising 1.3 per cent.

Department of Labor officials, who called the May living cost jump "unexpectedly large," said food prices probably will go higher during the summer months until fall harvests come. They hinted the living cost index may achieve a new record level when June data is available next month.

TEN YEARS AGO (July 21, 1966)

The revival of the Hamlin Oil Mill has been described as "the real cooperative success story of this period" by Roy B. Davis, General Manager of Plains Cooperative Oil Mill.

Organized as a cooperative 23 years ago, the mill halted operations March 15, 1964, until August 7 that year when Plains Cooperative leased the facilities from the Houston Bank of Cooperatives of Houston who had taken it by foreclosure July 7.

The story about the local mill was in the May-June issue of the Cotton Cooperative Commentator, published by the Plains Cotton Cooperative Association.

It is located in one of the most competitive areas in Texas, the article states. This fact, along with fires, short crops and indifferent support all resulted in substantial operating losses. The Houston Bank of Cooperatives finally took over the mill to satisfy the unpaid debt. There were many who doubted that the mill could ever succeed as a cooperative.

Leaders from the gins in the Rolling Plains felt that the mill should operate as a cooperative. They suggested that the Plains Cooperative Oil Mill at Lubbock lease the mill from the Bank, and promised to deliver enough seed for a profitable operation. This was two years ago, and at this time Jerry Williams was named manager.

The mill is now crushing on 29,600 tons of seed from the current crop delivered by 31 gins. Earnings of the mill have exceeded all expectations.

A new lease for the 1966-67 season has been signed with the Houston Bank of Cooperatives.

The selection of the Little League All-Stars has been made and work-outs for the play-off tournament to be held in Merkel are now underway.

The following boys were selected from the four Little League teams: Milton Jones Jr., Gilbert Lujan, Max Allen Littlefield, Ricky Rodgers, Alton Trotter, Braves; Billy Boil, Joe Carlile, Mike Donham, John Stallcup, Charlie Thompson, Cardinals; Bobby Tabb, Jackie Warner, David Willis, Yankees; Arthur Van Zandt, Giants.

Buford Bigham is the manager of the All-Stars.

NEWS AND VIEWS . . .

And What Have You

— Continued from page One

service man it was finally decided that just changing out the parts on the machine would not fix it and that we would have to have a serviceman check it out. But, we were told it would be Wednesday afternoon before a serviceman could get to it.

At this point we called The Snyder Daily News, which operates similar equipment to ours. They most graciously offered the use of their equipment and we took all of the punched tapes we had ready and ran them on the machine in Snyder.

While we were waiting for our son Rick to bring over some more tapes, Barbara called and said the serviceman had just called and would be able to work on the equipment that night.

Both of us got here at about seven and he had it running again at about 10 p.m. It turned out to be a broken wire among the miles and miles of wire in the machine. By staying down here until about one a.m. we were able to get caught up enough to get the paper out on time Wednesday afternoon.

Needless to say after all of that we had just about used up all the rest and relaxation we had accumulated during our vacation and were just about back where we started from before we left.

Fortunately, we had already scheduled a weekend at Lake Brownwood to visit with our son Darrell who is in Galveston going to Medical School. This was just about the only weekend he had free and it gave us a chance to visit with him and just rest and hope for a better week this week.

It did not help any when we drove into town Sunday evening and saw the Piper torn down.

THE LIGHT

"Thy word is a lamp unto my feet, and a light unto my path."

The bible, God's word, has often been compared to a light, for it penetrates the darkness and reveals God to man. It is the light that leads man down life's pathway. For those who study it, it reveals not only the past, but also the future.

"The entrance of thy words giveth light; it giveth understanding . . ."

Attend church and hear God's leaders expound on His word.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

School Announces K-5 Supply Lists

Principal Larry Butler of Hamlin Elementary School has released the list of supplies that will be needed by students when they report to school for classes in one month, on Aug. 23.

Teachers are to report to the school Aug. 16 for one week of in-service training.

The supply lists for kindergarten through fifth grade are as follows:

KINDERGARTEN—1 box crayolas (8 in box, large size); 1 pair scissors (blunt); 1 bottle Elmer's Glue (small); 1 Writing Tablet (Nifty Pencil Tablet Manuscript writing); 1 box Kleenex (large size); 1 large size pencil (Husky); 2 regular size Pencils (No. 2) and 1 pkg. Construction paper (Assorted colors).

FIRST GRADE—wide-lined paper (NOT Big Chief); Scissors; crayolas—box of 8; fat pencils without erasers; separate eraser; box of Kleenex; supply box; Elmer's glue; small package colored paper; NO BOOK SATCHELS.

SECOND GRADE—glue (glue stick); scissors (sharp pointed); 2 pencils (regular size); tablet (Nifty hand-

writing tablet, No. 2); school box; 1 box kleenex (150 count); crayons (No. 48); 1 package construction paper (mixed colors); eraser, and foot ruler.

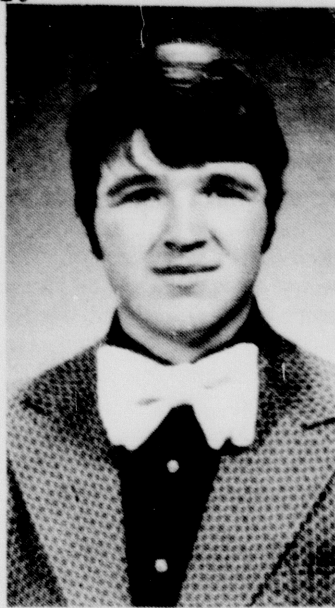

THIRD GRADE—Spiral notebook, 2 No. 2 pencils, Dictionary, box of crayons, scissors, ruler, glue, eraser, and Kleenex.

FOURTH GRADE—Pencil, Scissors, Crayolas, Tablet, Glue and Eraser; and notebook and notebook paper.

FIFTH GRADE—2 pencils (No. 2); 1 box of crayons; 4 Spiralbook folders; Notebook and filler paper; 1 box of map pencils; 1 ruler; 1 scissors; and 1 Elmer's Glue (small).

Weekend events should be reported to the STAR by noon Monday.

FRANK MEYNER
... at Neiman-Marcus

Frank Meyner Joins Ft. Worth's Neiman-Marcus

Frank Meyner, Hamlin High School graduate of 1974 and graduate of Glen and Lottie's School of Beauty in Abilene, has been named assistant to Travis Johnson at Neiman-Marcus at Fort Worth.

Meyner, after passing state board examinations in December, took instructors training at the Abilene school.

He reported to Dallas Monday morning. He is the grandson of Mr. and Mrs. C. L. Meyner. While a student at Glen and

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

At the time of this writing, July 19, McCaulley has had five inches of rain during the past 10 days.

Mr. and Mrs. Fred Kemp and Max have just returned from a week of vacationing with Mr. and Mrs. Jim Kincaid and Jennifer of Valdosta, Ga.

Mr. and Mrs. Raymond Davis and Luke were here recently getting ready to move their mobile home to New Deal.

Shandele Maberry, daughter of Smitty Maberry of Mansfield, has been spending the summer with her grandparents, Mr. and Mrs. George Maberry. This week she is in Midland visiting her Aunt Betsy Mitchell and Michelle.

Mr. and Mrs. George Maberry and Mr. and Mrs. Dick Maberry of Hamlin drove to Lamesa July 7 to attend the birthday

Lottie's, Meyner acquired the designer's degree and the sculpture's degree given by Pivot Point, the scientific approach to hair dressing. He is presently working toward the master's degree from the same national organization.

celebration of Mrs. Cora Fancher who is 90 years old.

Mary Lou and Millet Roland of Sweetwater visited Mr. and Mrs. Luther Maberry Sunday.

Visitors of Mrs. and Mrs. Ernest Webb the past week were Mr. and Mrs. Ellis Eivens from Ft. Worth and their daughter Suzy, and her daughters Angie and Cassie of Beaumont.

Other visitors in the Webb home were Mr. and Mrs. Cecil Eivens of Levelland, and Mr. and Mrs. Robert Carter, Shelley and David of Yorba Linda, Calif.

Mr. Eldon Franklin and James Jeffrey attended the State FFA Convention in Dallas last week. Mrs. Franklin spent the time while her husband was away in Ladonia visiting Mr. and Mrs. Douglas Franklin, Scott and Shaun. This week Scott and Shaun are here with their grandparents for a visit.

(FROM LAST WEEK)

Steve Whigham, Sophomore ministerial student at HSU will do the preaching for a five day revival beginning Wed., July

21 at the McCaulley Baptist Church assisted by song leader, Steve Walker, Junior Music major formerly of Merkel. At the piano will be Faye Freeman who will also help with the visitation during the period. We urge all young and old to attend these services. We feel sure you will enjoy these worship services.

Ten members of the 1956 graduating class spent the day showing off children, visiting, eating and "catching up" on what has happened at McCaulley since they graduated twenty years ago. Of the 15 members graduated that year we can truthfully say they are successful, happy and are a great credit to any community. Those attending were Messrs. and Mmes. Don Drummond, Billy Henderson, Scifres (Mrs. Scifres is the former Evaline Mahaffey), Russell (Mrs. Russell is the former Zoie Adair), Julius Decker, Buddy Williams, Don Alexander and Carol Hennington Carlisle. Also former teachers of these students who were present were Mr. and Mrs. T. E. Green, and Mr. and Mrs. Fred Kemp.

Mr. and Mrs. Rickey Jeffrey have a new daughter, Amy Minon. Amy is in a Lubbock Hospital receiving therapy for a lung problem but is responding to the treatment beautifully. Stuart will have to take less attention now.

Mrs. Hattie Lou Waldrop was especially cheerful last week. Daughter Barbara Edwards of Mechanicsburg, Ohio and her family were visitors.

That much needed rain finally came. At this time we have more than two inches here in McCaulley. Farmers have a smile and are getting a nice rest.

LETTER TO EDITOR—

Writer Says Thanks For Help On Piper

Dear Editor,

I should like to take this opportunity to say how much I appreciate the cooperation and efforts of all who helped to build or who donated materials for the Piper in our roadside park. It all began with a dream which could never have become a reality without the skill, blood, and sweat of all who helped. It just proves that a town like ours really can do anything to which we put our minds and hands. I especially enjoyed the feeling of "togetherness" as we raced the calendar to complete this bicentennial project before our nation's birthday.

Regarding the ones who are responsible for pulling down the Piper, they must have tremendous emotional problems and hangups to drive them to do a thing like this. I am praying for them, and if there is any way in which I could help them solve their problems or learn to cope with their feelings of rebellion or hostility, I should be very happy to do so. They actually have done more damage to themselves than to the Piper. My heart goes out to them, for I realize that the value of an individual is much greater than that of a ten-foot figure made of metal and cement! Could it be that we as citizens have been so concerned with "things" that we have neglected our responsibility to humanity?

I hope this act of vandalism does not cause us to feel that future cooperative efforts would be futile, but rather that we might reassess our

priorities and values and strive together for those things of lasting value. I also hope this incident will bring us all closer together in our common goal of building an outstanding community in which to live and rear our children.

Sincerely,
Mrs. Joe Norton

Wheat Variety Test Plot Results Are Announced

Results of the 1976 Jones County Wheat Variety test plots are now available, says Jones County Extension Agent, Kirby Clayton. The test plot was established on the Jerry Jeffery farm located 4 miles east of Hamlin and was planted on ground that had been in cotton the season before. The plot received only 5.2" of rain from 10-24-75 until harvest and this rain fell in such small amounts to be of little value to the wheat.

Listed below are results of the test:

| Variety | Yield |
|-----------------|-------|
| Tam 101 | 26.5 |
| Danne | 25.0 |
| Scout 66 | 23.0 |
| Tascosa | 20.0 |
| Col Exp. 725055 | 20.0 |
| Trison | 19.0 |
| Centurk | 18.0 |
| Tam 103 | 16.5 |
| Triumph 66 | 14.5 |
| Sage | 13.5 |
| Lancota | 13.5 |
| Sturdy | 12.5 |
| Sintinel | 11.5 |
| Eagle | 10.0 |

RICHARD L. MAXWELL
Pentecostal pastor

Richard Maxwell Is Pentecostal Church Minister

Richard L. Maxwell, new minister of the United Pentecostal Church, concluded a series of revival services last week.

Maxwell moved here June 1 from Kermit with his wife, Mona, and four sons, Danny, 17, Mike 15, Robert, 13, and Jimmy, 11. He has been assistant to the pastor at Kermit United Pentecostal Church International and was also a self-employed ceiling and floor sub-contractor.

A native of Abilene, he attended Abilene High School. The family previously lived in Midland 16 years.

Rep. Kubiak Proposes Plan To Cut School Property Taxes

AUSTIN—Rep. Dan Kubiak of Rockdale said last week he will propose legislation when the next Legislature convenes that will save Texans almost \$1 billion in local property taxes.

Kubiak predicted a "taxpayers' revolution" because property owners and citizens across the State "have suffered not only continuous but dramatic increases" in local property taxes during recent years.

Under Kubiak's proposal, the state would begin picking up the portion of the Minimum Foundation Program for public education, a portion that is now paid entirely by local school districts. He said this local fund "share" totaled \$985 million for the current and the upcoming school years.

While transferring this local cost to the State, Kubiak told a Capitol news conference his bill would guarantee that local taxpayers in school districts across this State will see their taxes go down.

"My legislation will mandate that each local school district must reduce its local taxes by an amount equal to their local fund assignment," Kubiak said.

He added that school districts could decide for themselves whether to cut their tax rate, assessment ratio, or both but that "the bottom line that each taxpayer has to pay must be reduced."

Kubiak said the legislation for this mandatory tax reduction would be effective for one year only and would be funded from a portion of the more than \$2 billion projected revenue surplus.

"About funding this plan in the future, beyond this surplus and beyond the next biennium, I would have every faith in the world that Texas' continued growing economy and its continued dollar volume growth in tax revenue can absorb this additional burden, providing the Legislature exercises restraint and good judgment in dictating the Minimum Foundation Program," Kubiak added.

Kubiak called criticism that the bill would destroy all local control of public education "hogwash."

"There should be and there will be a clear distinction between the actual allocation—that is to say, funding—and the controls on these funds," Kubiak answered. "Local school districts will still have the total authority and total power of the selection, retention and promotion of the most important person working in public education—the teacher in the classroom."

Kubiak also said local ad valorem taxes could be levied to pay for buildings, capital improvements and all other amenities, including teacher salary supplements, just like they are now under local enrichment programs.

"That means if the Dallas School District wants to build a junior high school in downtown Dallas, then let Downtown Dallas taxes pay for it," he added.

Terming his proposal a "no strings attached, public education version of the revenue sharing program," Kubiak predicted some

"nitpickers and naysayers" would call it a "temporary, cold patch on an old flat tire."

"That's fine," he responded. "The taxpayer public will buy that. But at least we've bought some time and can make some plans for the future."

Four From Here Attend Angelo State Band Camp

Four students from Hamlin participated in the second annual Angelo State University Band Camp which was attended by approximately 355 persons, representing 52 towns.

Attending from Hamlin were Jan Ford, Stephanie Hymer, Jamie Jones and Elise Kelley.

The camp held last week included clinic sessions in band, twirling, ensembles, stage band, drum majoring, private lessons and a band director's workshop. Evening activities included parties, a talent show, concert and a dance.

Comptroller Sets Anson Meeting On Sales Taxes

AUSTIN — Comptroller Bob Bullock announced that a representative from his Abilene Office will be in Anson, Wednesday, July 28, to answer questions from Taxpayers and provide assistance in filing tax returns.

Bullock said Enforcement Officer Mona West will be at the Jones County Courthouse, County Court Room, 2nd Floor, from 1:30 p.m. to 5:00 p.m.

"I hope local merchants will take this opportunity to get any questions they have about the sales or franchise taxes answered," said Bullock. "A little straight information can save us both headaches."

THURSDAY, JULY 22, 1976, PAGE 7

Bullock also announced that the Abilene office will be open from 7:30 a.m. to 6 p.m. for the convenience of taxpayers.

The Abilene Office, headed by James Martin, is located in Room 213 of the First State Bank Building, 4th and Oak, telephone 673-7849.

The Abilene Office serves Taylor, Brown, Callahan, Coleman, Comanche, Eastland, Fisher, Haskell, Jones, Mitchell, Mills, Nolan, Scurry, Shackelford, Stephens and Stonewall Counties.

Contrary to popular opinion, drinking milk and taking vitamin and mineral pills will not make teeth less susceptible to decay. A well-balanced diet can help maintain healthy gums and bones, but cannot make teeth stronger or less resistant to decay.

Dental plaque, rather than hormones, precipitates the cause of gum diseases in pregnant women, according to a researcher at the University of Maryland School of Dentistry.

Daughter Visits

Mr. and Mrs. Raymond Clayton, Brad and Jim, have moved back to the United States from Guam where they have been for the past seven years. They visited here last week with her parents, Mr. and Mrs. Travis Hubbard.

The family will live north of Fort Worth at Bridgeport where he will be teaching math in the junior high school. Mrs. Clayton, the former Martha Hubbard, will be teaching in kindergarten.

Classified deadline is 8:30 a.m. Wednesday.

Letter to the Editor

Dear Bob,

This was to have been a letter of thanks to Rev. and Mrs. Joe Norton, Mrs. C. L. Howard, Young Bill Maddox, Mrs. C. Weldon Griggs, Milburn Wink and the F. F. A. Boys, Bill Moore and all those that had had a part in our Bicentennial Park and especially in building our Pied Piper. This is something we could be proud of, not only a Bicentennial Project but as a City Beautification Project. Not just to those of us who hold the "Big Mean Green Piper" in our hearts because we went to school here, but to everyone living in the community. It stands for more than school loyalty, it symbolizes a clean, honorable community where the citizens work together for the good of all.

Who ever decided in a moment of mental degeneration to tear down our Pied Piper, that took a year and a half to plan and build should take time to reflect on what they have done.

For most Hamlin citizens it is on an equal with pulling down and tearing up the American flag. This was a Bicentennial gift to the city and all those passing by, from

far and near to see and know this is a community as described in the Piper Song that says, "Pied Piper calling you and me to do our very best. Just see how high our standards fly. They're far above the rest."

This applies to all except those whose judgment reached a new low Saturday night.

Thank you for letting me have my say.

Peggy Bonds

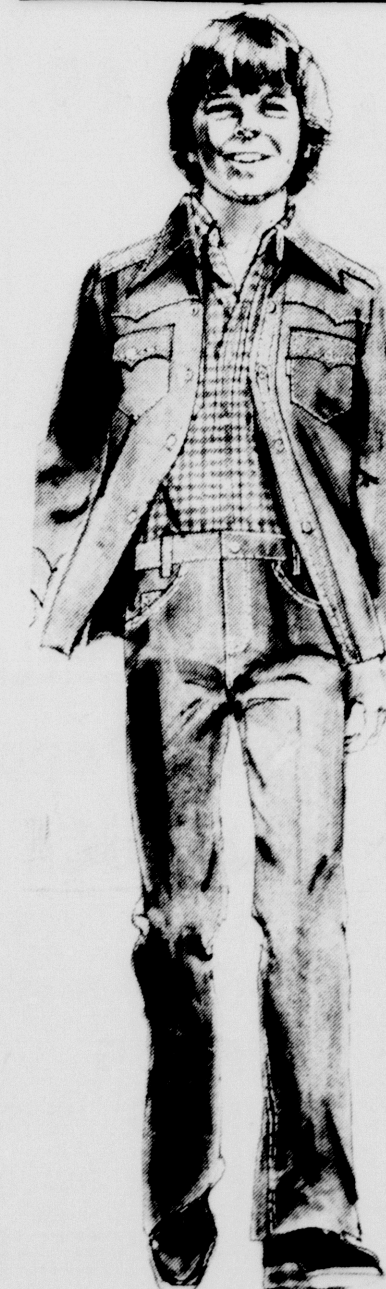

Baby Girl Born

Mr. and Mrs. Jimmy Inzer, of San Angelo are parents of a baby girl, 6 lbs. 4 oz., Amanda Katherine, born July 10 in San Angelo.

They also have a son, James Starr III, 3. Paternal grandparents are Mr. and Mrs. Starr Inzer of Hamlin. Maternal grandparents are Mrs. John Hopkins of Ft. Worth, and the late Roy Lee Maynard.

Great grandmothers are Mrs. Alvia B. Maynard of Hamlin and Mrs. Ross Turner of Ft. Worth.

Weekend events should be reported to the Herald by noon Monday.

No matter what he finds along the way he'll arrive in style in his Hardwear jeans

Mr. A's Western Store

Aspermont, Texas

Enjoy a 10-minute call to Boston without shelling out a lot of clams.

For just \$2.57 or less, you could take down these recipes by Long Distance.

We're printing these chowder recipes to make a point: a Long Distance call lets you say so much, for so little.

In a 10-minute call to Boston, between 5 p.m. and 11 p.m. tonight, you could easily take down the recipes below. And by dialing 1+, the most you pay is \$2.57, plus tax.

So enjoy a pleasant visit tonight by Long Distance. Wherever you call, you can take the time to find out what's cookin'...without stirring up a big expense.

1. FISHERMEN'S CATCH CHOWDER

2 tbsps. butter or margarine
1/2 cup finely chopped onion
1/2 cup finely chopped celery
1/2 cup chopped pared carrots
1/2 cup snipped parsley
1/2 tsp. crushed dried rosemary
1 can (16-oz.) whole tomatoes, drained (reserve liquid)
2 cups dry white wine
1 bottle (8-oz.) clam juice
1 tsp. salt
3 tbsps. flour
3 tbsps. softened butter or margarine
8 ozs. flounder or ocean perch
8 ozs. pike or rainbow trout
8 ozs. haddock or halibut
8 ozs. minced clams (opt.)
1/2 cup light cream

a) Heat the first 6 ingredients in Dutch oven until bubbly, reduce heat and cover. Simmer 15 minutes.
b) Chop tomatoes. Stir tomatoes, reserved liquid, wine, clam juice and salt into vegetables in Dutch oven. Heat to boiling, reduce heat and cover. Simmer 10 minutes.
c) Mix flour and 3 tbsps. butter until smooth; stir into chowder. Cook and stir until slightly thickened.
d) Cut fish into 1-inch pieces, and add to chowder. Heat to boiling; reduce heat. Simmer uncovered until fish flakes easily with fork, 8-10 minutes. Remove from heat. Stir in cream.
e) Ladle chowder over sliced, toasted French bread. Garnish with snipped parsley. (Makes six 1 1/2-cup servings)

2. SEAFOOD CHOWDER

3 cups water
2 cups chopped pared potatoes
1 cup chopped celery
1/2 tsp. salt
1/2 tsp. pepper
1/2 tsp. ground allspice
1/2 cup butter or margarine
1/2 cup all-purpose flour
2 cups milk
1 lb. cod fillets
1 tsp. dried dill weed
1 cup chopped unpeeled seeded cucumber
2 tbsps. lemon juice
1/2 tsp. paprika
1 hard-cooked egg, sliced

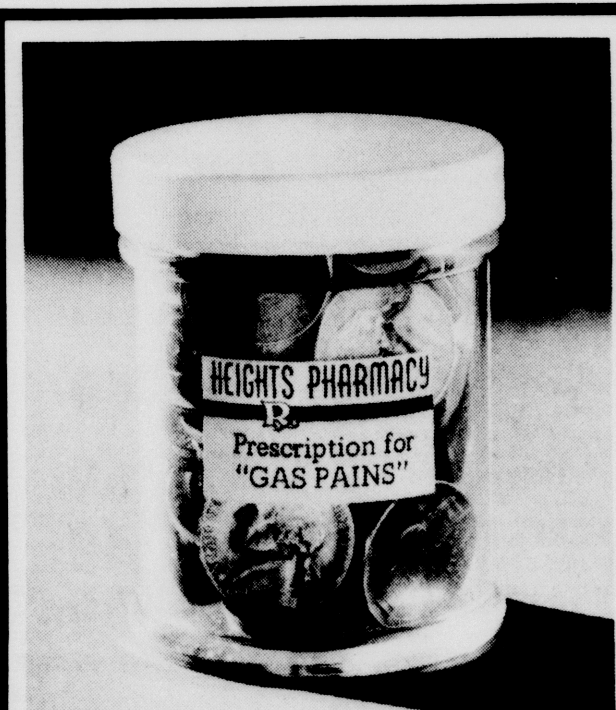

a) Heat first 6 ingredients in saucepan to boiling; cover. Boil until vegetables are tender, 10-12 minutes. Drain vegetables, reserving 2 cups broth.
b) Melt butter in Dutch oven; stir in flour. Cook over low heat, stirring constantly, until mixture is smooth and bubbly. Remove from heat. Stir in milk and reserved broth. Heat to boiling, stirring constantly. Cut cod into 1/2-inch pieces, stir into mixture. Add dill. Heat to boiling; reduce heat. Simmer uncovered until fish flakes easily with fork, about 8 minutes.
c) Stir cucumber, lemon juice, paprika and vegetables into chowder. Heat until hot. Garnish with egg slices. (Makes eight 1/2-cup servings)

Prescription for "GAS PAINS"

... also coal soars, nuclear chills and solar aches. Regardless of what generating discomfort we suffer, it seems that money is the only remedy. The increasing cost of generating fuel means increasingly higher electric bills, but for more than three decades the Midwest Electric Cooperative has been helping to take the pain out of power costs by providing electricity at its lowest possible price. It's a practice we plan to continue.
